GENERAL PROXY INFORMATION

Revocability of Proxies

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by either:

- (a) executing a proxy bearing a later date; or

- (b) executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the shareholder's authorized attorney in writing, or, if the shareholder is a company, under its corporate seal by an officer or attorney duly authorized, and by depositing the Proxy bearing a later date with Computershare Investor Services Inc., or at the address of the registered office of the Company at 700 - 401 West Georgia Street, Vancouver, British Columbia, V6B 5A1, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the date that precedes any reconvening thereof, or to the chair of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or
- (c) by the registered shareholder personally attending the Meeting and voting the registered shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

Appointment of Proxyholders

A shareholder entitled to vote at the Meeting may, by means of a proxy, appoint a proxyholder or one or more alternate proxyholders, who need not be Shareholders, to attend and act at the Meeting for the shareholder on the shareholder's behalf.

The individuals named in the accompanying form of proxy (the "**Proxy**") are directors and/or officers of the Company (the "**Management Designees**"). **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting other than either of the Management Designees. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

A proxy will not be valid unless the completed, dated and signed Proxy is delivered to the office of **Computershare Investor Services Inc., at 9th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, or by fax within North America to 1-866-249-7775 and outside North America to (416) 263-9524, or by telephone to 1-866-732-VOTE (8683) Toll Free or online at www.investorvote.com**, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used.

Exercise of Discretion

The Management Designees named in the Proxy will vote or withhold from voting the shares represented thereby in accordance with the instructions of the shareholder on any ballot that may be called for. The Proxy will confer discretionary authority on the nominees named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified other than the appointment of an auditor and the election of directors,
- (b) any permitted amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified on the Proxy, the Management Designees will vote the Common Shares represented by the Proxy at their own discretion for the approval of such matter.

As of the date of this Information Circular, management of the Company knows of no amendment, variation or other matter that may come before the Meeting, and if any amendment, variation or other matter properly comes before the Meeting, each Management Designee intends to vote thereon in accordance with the Management Designee's best judgment.

Proxy Voting Options

If you are a registered shareholder, you may elect to submit a proxy in order to vote whether or not you are able to attend the Meeting in person. In order to vote by mail, you must complete, date and sign the Proxy and return it to the Company's transfer agent, **Computershare Investor Services Inc., at 9th Floor, 100 University Avenue, Toronto, Ontario, Canada M5J 2Y1**, or **by fax within North America to 1-866-249-7775 and outside North America to (416) 263-9524**, or **by telephone to 1-866-732-VOTE (8683) Toll Free** or **online at www.investorvote.com**, at any time up to and including 10:00 a.m. (Pacific Time) on January 16, 2013.

Advice to Beneficial Shareholders of Common Shares

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold Common Shares in their own name. Beneficial Shareholders should note that only Proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States, the vast majority of such shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings unless the Beneficial Shareholders have waived the right to receive meeting materials. Every intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting.

If you are a Beneficial Shareholder, the Proxy supplied to you by your broker (or its agent) is similar to the Proxy provided to registered Shareholders by the Company. However, its purpose is limited to instructing the intermediary how to vote on your behalf. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Communications Solutions Canada ("**Broadridge**") in the United States and in Canada. Broadridge mails a voting instruction form in lieu of a proxy provided by the Company. The voting instruction form will name the Management Designees to represent you at the Meeting. You have the right to appoint a person (who need not be a shareholder of the Company), other than the persons designated in the voting instruction form, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the voting instruction form. The completed voting instruction form must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **If you receive a voting instruction form from Broadridge, you cannot use it to vote Common Shares directly at the Meeting. It must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted.**

Although, as a Beneficial Shareholder, you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your broker (or agent of your broker), you may attend at the Meeting as proxyholder for your broker and vote the Common Shares in that capacity. If you wish to attend at the Meeting and indirectly vote your Common Shares as proxyholder for your broker or have a person designated by you to do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on the voting instruction form provided to you and return the same to

your broker (or your broker's agent) in accordance with the instructions provided by your broker (or agent), well in advance of the Meeting.

Alternatively, you may request in writing that your broker send you a legal Proxy which would enable you, or a person designated by you, to attend at the Meeting and vote your Common Shares.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

None of the directors or executive officers of the Company, nor any person who has held such a position since the beginning of the last completed financial year of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than as disclosed herein.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The board of directors (the "**Board**") of the Company has fixed December 10, 2012, as the record date (the "**Record Date**") for determination of persons entitled to receive notice of the Meeting. Only Shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a Proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Common Shares voted at the Meeting.

The Company is authorized to issue 20,000,000 Common Shares without par value and 10,000,000 preferred shares without par value of the Company. As of Record Date, the Company had outstanding 1,567,971 fully paid and non-assessable Common Shares without par value, each Common Share carrying the right to one vote, and no outstanding preferred shares. The Company has no other classes of voting securities except the Common Shares.

To the knowledge of the Directors and executive officers of the Company, only the following shareholders owned, directly or indirectly, or exercised control or direction over, shares carrying more than 10% of the outstanding voting rights of the Company:

Shareholder Name	Number of Shares Beneficially Owned, Controlled or Directed, Directly or Indirectly⁽¹⁾⁽²⁾	Percentage of Outstanding Shares
Donald M. Boone	495,481	31.6%
Michael C. Nasser	187,184	11.9%

(1) This information was supplied to the Company from insider reports and beneficial ownership reports filed with the SEC as well as SEDI, and from the beneficial shareholders themselves.

(2) The holdings represent registered and beneficial ownership, and for the purposes hereof, beneficial ownership is presumed where sole voting and dispositive power is declared without disclaiming ownership.

The audited financial statements of the Company for the year ended August 31, 2012, together with the Auditors' Report thereon, will be presented to the Shareholders at the Meeting.

In addition, the following documents have been filed with the securities commissions or similar regulatory authority in British Columbia and Ontario and are specifically incorporated by reference into, and form an integral part of, this Information Circular:

These documents are also available online through the Internet under the Company's SEDAR profile, which can be accessed at www.sedar.com, and on EDGAR, which can be accessed at www.sec.gov.

VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled all such nominees will be declared elected or appointed by acclamation.

VOTING PROCEDURE

Quorum

A quorum for the transaction of business at the Meeting is at least two persons who are, or who represent by proxy, shareholders who, in the aggregate, hold at least 5% of the issued shares entitled to be voted at the Meeting.

Broker Non-Votes

Broker non-votes occur when a person holding shares through a bank or brokerage account does not provide instructions as to how their shares should be voted and the broker does not exercise discretion to vote those shares on a particular matter. Broker non-votes will be included in determining the presence of quorum at the Meeting. However, a broker non-vote will not have any effect on the outcome for the election of directors.

Fix the Number of Directors

This resolution sets the number of directors at four to sit on the Board for the ensuing year. You may vote "for" or "against."

Election of Directors

Directors must be elected by a majority of the votes present at the Meeting and entitled to be cast in the election. As a shareholder, you may vote "for" or "withhold". Shareholders are being asked to vote for only four of the five nominated directors.

Ratification of the Appointment of the Auditors

The appointment of the auditors is ratified if a majority of the votes present at the Meeting vote "for" the proposal. You may vote "for" or "withhold."

Acts and Deeds of Directors and Officers

All actions of the directors and officers carried out on behalf of the Company during the preceding year will be approved, if a majority of the votes present at the Meeting vote "for" the proposal. You may vote "for" or "against."

Voting on Permitted Amendments or Variations of and any Other Matter that properly comes before the Meeting

Any permitted amendments to or Variations of and the approval of any other matters that may be submitted at the Meeting will be approved, if a majority of the votes present at the Meeting vote "for" the proposal. You may vote "for" or "against."

Proxyholders

Common Shares for which the Proxy is properly executed and returned will be voted upon at the Meeting in accordance with the directions noted thereon or, in the absence of directions, will be voted as follows: "FOR" the fixing of the number of directors at four; "WITHHOLD" the election of each of the nominees to the Board that are named in this Information Circular; "FOR" the ratification to appoint Davidson & Company LLP, Chartered Accountants as independent auditors of the Company for the ensuing financial year ending August 31, 2013; "FOR" the approval of all acts, deeds and business done by, and proceedings of, the directors and officers of the Company on behalf of the Company during the preceding year; "FOR" the approval of any permitted amendments to or variations of any matter submitted at the Meeting; and "FOR" the approval to transact such further or other business as may properly come before the Meeting. It is not expected that any matters other than those referred to in this Information Circular will be brought before the Meeting. If, however, other matters are properly presented, the persons named as Proxyholders will vote in accordance with their discretion with respect to such matters.

PARTICULARS OF MATTERS TO BE ACTED UPON

PROPOSAL ONE: FIX NUMBER OF DIRECTORS PROPOSAL TWO: ELECTION OF DIRECTORS

The Board proposes the number of directors of the Company be fixed at four (4) and the nominees designated for election as directors of the Company include the following five (5) persons: Donald M. Boone, Ralph E. Lodewick, Frank G. Magdlen, Ted A. Sharp and Jeffrey G. Wade. Shareholders are being asked to vote for only four of the five nominated directors. As there are five nominees nominated at the meeting but only four spots available, the four nominees with the most shares voted in favour of that nominee will be elected as a director of the Company. The four elected directors will hold office until the conclusion of the next annual general meeting of the shareholders; and, if no director is elected, until a successor is duly elected, unless the office is vacated in accordance with the Articles/By-Laws of the Company.

Unless otherwise instructed, it is the intention of the Management Designees named as Proxyholders on the accompanying Proxy to vote shares represented by properly executed Proxies for the election of such nominees. Although the Board anticipates that the five nominees will be available to serve as directors of the Company, if any of them should be unwilling or unable to serve, it is intended that the Proxies will be voted for the election of such substitute nominee or nominees as may be designated by the Board.

Audit Committee

The Board has established an Audit Committee. The Audit Committee reports directly to the Board. The functions performed on behalf of the Board by the Audit Committee are summarized below.

The Audit Committee is responsible for recommending the appointment of independent accountants; reviewing the arrangement for and scope of the audit by independent accountants; reviewing the independence of the independent accountants; considering the adequacy of the system of internal accounting controls and reviewing any proposed corrective actions; reviewing and monitoring the Company's policies relating to ethics and conflicts of interests and discussing with management and the independent accountants the draft of annual and quarterly financial statements and other key accounting and/or reporting matters.

The Audit Committee is comprised of three directors, all of whom are considered independent directors: Ralph E. Lodewick, Ted A. Sharp and Jeffrey G. Wade. All members of the Audit Committee must meet the "independence" tests under National Instrument 52-110 *Audit Committees* ("**NI 52-110**"). Within the meaning of NI 52-110, each member of the Audit Committee is considered financial literate.

In the course of its oversight of the Company's financial reporting process, the directors have: (1) reviewed and discussed with management the audited financial statements for the year ended August 31, 2012; (2) received the auditor's report from Davidson & Company LLP, Chartered Accountants, independent auditors, on the matters required to be discussed by Statement on Auditing Standards No. 61, "Communications with Audit Committees"; (3) received the written disclosures and the letter from the auditors required by Independence Standards Board Statement No. 1, "Independence Discussions with Audit Committee"; and (4) considered whether the provision of non-audit services by the auditors is compatible with maintaining their independence and has concluded that it is compatible at this time.

Based on the Audit Committee's foregoing review and discussions, the Board has concluded that the audited financial statements should be included in the Annual Report on Form 10-K for the year ended August 31, 2012 and filed with the SEC.

COMPENSATION OF EXECUTIVE OFFICERS

Compensation Discussion and Analysis

Compensation

At the present time, the Company does not have a Compensation Committee and the board of directors (the "**Board**") as a whole performs the equivalent functions. As at the end of the financial year ended August 31, 2012, the Board was comprised of Donald M. Boone, Ralph E. Lodewick Ted A. Sharp and Jeffrey G. Wade. As disclosed herein, Donald M. Boone also serves as President, CEO and Treasurer of the Company and, as such, does not vote on any compensation payable to himself by the Company.

As in prior years, judgments regarding executive compensation for fiscal 2012 have been primarily based upon the Board's assessment of each executive officer's leadership performance and their potential to enhance long-term shareholder value. The Board relies mostly on each director's business acumen and is not bound by rigid guidelines, formulas or short-term changes in the share price when determining the amount and mix of elements regarding compensation payable for each executive officer.

Key factors that affect the Board's overall decision include the nature and scope of the executive officers' responsibilities, their effectiveness in leading the Company's initiatives to increase customer value as well as productivity and growth, ensure compliance with applicable state and federal laws and the ethics policies of the Company.

Based on all these factors, which the Board considers relevant in making its determination of compensation payable, and in light of the Company's strong financial and operating performance, the Board believes it has been in the shareholders' best and long-term interests of the Company to ensure that the overall level of salary is commensurate with overall performance and in keeping with the Company's ability to retain key members of management team.

The Board's decisions concerning specific elements of fiscal 2012 compensation for individual executive officers, including the Chief Executive Officer, includes consideration of the executive officer's level of responsibility, their overall performance and current salary. As noted above, in all cases, the specific decisions involving the fiscal 2012 executive officer's compensation are ultimately based upon the Board's judgment about an individual executive officer's performance, their potential for future contributions and, more importantly, whether each particular payment or award provides an appropriate incentive and recompense for a performance that will sustain and enhance long-term shareholder value.

The Board's determination for Mr. Boone's remuneration as President, CEO and Treasurer was set many years ago. Mr. Boone's compensation has remained unchanged at his request and remains below the competitive rates paid to similar executives.

CORPORATE GOVERNANCE

General

National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) requires issuers to disclose the corporate governance practices that have been adopted according to guidance provided pursuant to National Policy 58-201 *Corporate Governance Guidelines* (“**NP 58-201**”).

The Board believes that good corporate governance improves corporate performance and ultimately benefits all Shareholders. The Canadian Securities Administrators (the “**CSA**”) have adopted NP 58-201, which provides non-prescriptive guidelines on corporate governance practices for reporting issuers. In addition, the CSA has implemented NI 58-101, which prescribes certain disclosure by reporting issuers of its corporate governance practices. This section sets out the Company’s approach to corporate governance and addresses the Company’s compliance with NI 58-101.

The Company is also subject to the requirements of the U.S. Sarbanes-Oxley Act and the requirements of NASDAQ as well as comparable requirements under Canadian provincial securities legislation, including those relating to the certification of financial and other information prepared by or under the direction of the Company’s chief executive officer and chief financial officer; oversight of the Company’s external auditors; enhanced independence criteria for audit committee members, the pre-approval of permissible non-audit services to be performed by the Company’s external auditors; and the establishment of procedures for the anonymous submission of complaints regarding the Company’s accounting practices (commonly known as whistleblower procedures). The Company has established a Whistleblower Policy which was adopted by the Board on April 10, 2008. Details of the Whistleblower Policy are posted under the heading, Investor Relations on the Company’s website at www.jewettcameron.com.

The Board believes that sound corporate governance practices are essential to the effective, efficient and prudent operation of the Company and for the enhancement of shareholder value. It is anticipated that the frequency of Board meetings may be increased and the nature of the agenda items may be changed depending upon the state of the Company’s affairs and in light of opportunities and risks which the Company may face. The directors are kept abreast of the Company’s operations at Board meetings as well as through updates, reports and discussions with management.

Pursuant to the requirements of NI 58-101, the Company is required to provide disclosure in this Information Circular of its corporate governance practices in accordance with Form 58-101F1, which are as follows.

The ESOP shares allocated for the following five financial years ended August 31 were:
