The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. All costs of this solicitation will be borne by the Company. The Company has made arrangements for intermediaries to forward solicitation materials to the beneficial owners of the Common Shares held of record by those intermediaries and the Company may reimburse the intermediaries for reasonable fees and disbursements incurred by them in so doing.

GENERAL PROXY INFORMATION

Revocability of Proxies

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by either:

- (a) executing a proxy bearing a later date; or
- (b) executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the shareholder's authorized attorney in writing, or, if the shareholder is a company, under its corporate seal by an officer or attorney duly authorized, and by depositing the Proxy bearing a later date with Computershare Investor Services Inc., or at the address of the registered office of the Company at

700 - 401 West Georgia Street, Vancouver, British Columbia, V6B 5A1, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the date that precedes any reconvening thereof, or to the chair of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or

- (c) by the registered shareholder personally attending the Meeting and voting the registered shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

Appointment of Proxyholders

A shareholder entitled to vote at the Meeting may, by means of a proxy, appoint a proxyholder or one or more alternate proxyholders, who need not be Shareholders, to attend and act at the Meeting for the shareholder on the shareholder's behalf.

The individuals named in the accompanying form of proxy (the "**Proxy**") are directors and/or officers of the Company (the "**Management Designees**"). **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting other than either of the Management Designees. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

A proxy will not be valid unless the completed, signed and dated form of proxy is delivered to the office of **Computershare Investor Services Inc., at 9th Floor, 100 University Avenue, Toronto, ON M5J 2Y1, or by Telephone to 1-866-732-8683 or online at www.investorvote.com**, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used.

Exercise of Discretion

The Management Designees named in the Proxy will vote or withhold from voting the shares represented thereby in accordance with the instructions of the shareholder on any ballot that may be called for. The Proxy will confer discretionary authority on the nominees named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the Management Designees will vote the Common Shares represented by the Proxy at their own discretion for the approval of such matter.

As of the date of this Information Circular, management of the Company knows of no amendment, variation or other matter that may come before the Meeting, but if any amendment, variation or other matter properly comes before the Meeting, each Management Designee intends to vote thereon in accordance with the Management Designee's best judgment.

Proxy Voting Options

If you are a registered shareholder, you may elect to submit a proxy in order to vote whether or not you are able to attend the Meeting in person. In order to vote by mail, you must complete, date and sign the Proxy and return it to the Company's transfer agent, **Computershare Investor Services Inc., at 9th Floor, 100 University Avenue, Toronto, ON M5J 2Y1, or by Telephone to 1-866-732-8683 or online**

at www.investorvote.com, at any time up to and including 10:00 a.m. (Pacific Standard Time) on January 20, 2010.

Advice to Beneficial Holders of Common Shares

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold Common Shares in their own name. Beneficial Shareholders should note that only Proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States, the vast majority of such shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings unless the Beneficial Shareholders have waived the right to receive meeting material. Every intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting.

If you are a Beneficial Shareholder, the form of proxy supplied to you by your broker (or its agent) is similar to the form of Proxy provided to registered Shareholders by the Company. However, its purpose is limited to instructing the intermediary how to vote on your behalf. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Communications Solutions Canada ("**Broadridge**") in the United States and in Canada. Broadridge mails a voting instruction form in lieu of a proxy provided by the Company. The voting instruction form will name the Management Designees to represent you at the Meeting. You have the right to appoint a person (who need not be a shareholder of the Company), other than the persons designated in the voting instruction form, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the voting instruction form. The completed voting instruction form must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **If you receive a voting instruction form from Broadridge, you cannot use it to vote Common Shares directly at the Meeting. It must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted.**

Although, as a Beneficial Shareholder, you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your broker (or agent of your broker), you may attend at the Meeting as proxyholder for your broker and vote the Common Shares in that capacity. If you wish to attend at the Meeting and indirectly vote your Common Shares as proxyholder for your broker or have a person designated by you to do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on the voting instrument form provided to you and return the same to your broker (or your broker's agent) in accordance with the instructions provided by your broker (or agent), well in advance of the Meeting.

Alternatively, you may request in writing that your broker send you a legal Proxy which would enable you, or a person designed by you, to attend at the Meeting and vote your Common Shares.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

None of the directors or executive officers of the Company, nor any person who has held such a position since the beginning of the last completed financial year of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than as disclosed herein.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The board of directors (the "**Board**") of the Company has fixed December 18, 2009, as the record date (the "**Record Date**") for determination of persons entitled to receive notice of the Meeting. Only Shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a form of proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Common Shares voted at the Meeting.

As of the Record Date, the Company had outstanding 2,390,977 fully paid and non-assessable Common Shares without par value, each carrying the right to one vote. The Company has no other classes of voting securities.

To the knowledge of the Directors and executive officers of the Company, only the following shareholders owned, directly or indirectly, or exercised control or direction over, shares carrying more than 10% of the outstanding voting rights of the Company:

Shareholder Name	Number of Shares Held ⁽¹⁾⁽²⁾	Percentage of Issued Shares
Donald M. Boone	556,481	23.27%
Jewett-Cameron Trading Co. Ltd. Employee Stock Ownership Plan and Trust	414,598	17.34%

- (1) This information was supplied to the Company from insider reports and beneficial ownership reports filed with the SEC, and from the beneficial owners themselves.
- (2) The holdings represent registered and beneficial ownership, and for the purposes hereof, beneficial ownership is presumed where sole voting and dispositive power is declared without disclaiming ownership.

FINANCIAL STATEMENTS

The audited financial statements of the Company for the year ended August 31, 2009, together with the Auditors' Report thereon, will be presented to the Shareholders at the Meeting.

The following documents filed with the securities commissions or similar regulatory authority in British Columbia, Alberta and Ontario are specifically incorporated by reference into, and form an integral part of, this Information Circular:

- (a) audited financial statements for the year ended August 31, 2009;
- (b) auditors report thereon; and
- (c) management discussion and analysis for the year ended August 31, 2009.

Copies of documents incorporated by reference herein may be obtained by a shareholder upon request without charge from the Company at P.O. Box 1010, North Plains, Oregon, USA 97133, Attention: Murray G. Smith, Chief Financial Officer. These documents are also available through the Internet on SEDAR, which can be accessed at www.sedar.com, and on EDGAR, which can be accessed at www.sec.gov.

VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled all such nominees will be declared elected or appointed by acclamation.

VOTING PROCEDURE

A quorum for the transaction of business at the Meeting is at least two persons who are, or who represent by proxy, shareholders who, in the aggregate, hold at least 5% of the issued shares entitled to be voted at the Meeting.

Broker non-votes occur when a person holding shares through a bank or brokerage account does not provide instructions as to how his or her shares should be voted and the broker does not exercise discretion to vote those shares on a particular matter. Abstentions and broker non-votes will be included in determining the presence of a quorum at the Meeting. However, an abstention or broker non-vote will not have any effect on the outcome for the election of directors.

Shares for which proxy cards are properly executed and returned will be voted at the Meeting in accordance with the directions noted thereon or, in the absence of directions, will be voted "FOR" the fixing of the number of directors at four, "FOR" the election of each of the nominees to the Board named in this Information Circular, "FOR" the resolution to appoint Davidson & Company LLP, Chartered Accountants as independent auditors of the Company for the financial year ending August 31, 2009 and "FOR" the approval of all acts, deeds and things done by, and proceedings of, the directors and officers of the Company on behalf of the Company during the preceding year. It is not expected that any matters other than those referred to in this Information Circular will be brought before the Meeting. If, however, other matters are properly presented, the persons named as proxies will vote in accordance with their discretion with respect to such matters.

PROPOSAL 1 ELECTION OF DIRECTORS

The Board proposes that the following four nominees be elected as directors at the Meeting, each of whom will hold office until the conclusion of the next annual general meeting of the Company, or if no director is then elected, until a successor is elected: Donald M. Boone, Ralph E. Lodewick, Ted A. Sharp and Jeffrey G. Wade.

Unless otherwise instructed, it is the intention of the persons named as proxies on the accompanying proxy card to vote shares represented by properly executed proxies for the election of such nominees. Although the Board anticipates that the four nominees will be available to serve as directors of the Company, if any of them should be unwilling or unable to serve, it is intended that the proxies will be voted for the election of such substitute nominee or nominees as may be designated by the Board.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" EACH NOMINEE.

Audit Committee

The Board has established an Audit Committee. The Audit Committee is responsible to the full Board. The functions performed by the Audit Committee are summarized below

The Audit Committee is responsible for recommending the appointment of independent accountants; reviewing the arrangement for and scope of the audit by independent accountants; reviewing the independence of the independent accountants; considering the adequacy of the system of internal accounting controls and reviewing any proposed corrective actions; reviewing and monitoring the Company's policies relating to ethics and conflicts of interests and discussing with management and the independent accountants the draft annual and quarterly financial statements and key accounting and/or reporting matters.

The Audit Committee is comprised of three directors, all of whom are independent directors: Ralph E. Lodewick, Ted A. Sharp and Jeffrey G. Wade. All members of the Audit Committee must meet the "independence" tests under National Instrument 52-110. Each member of the Audit Committee is financial literate within the meaning of National Instrument 52-110.

In the course of its oversight of our financial reporting process, the directors have: (1) reviewed and discussed with management our audited financial statements for the year ended August 31, 2009; (2) received a report from Davidson & Company LLP, Chartered Accountants, our independent auditors, on the matters required to be discussed by Statement on Auditing Standards No. 61, "Communications with Audit Committees"; (3) received the written disclosures and the letter from the auditors required by Independence Standards Board Statement No. 1, "Independence Discussions with Audit Committee"; and (4) considered whether the provision of non-audit services by the auditors is compatible with maintaining their independence and has concluded that it is compatible at this time.

Based on the foregoing review and discussions, the Board has concluded that the audited financial statements should be included in our Annual Report on Form 10-K for the year ended August 31, 2009, filed with the SEC.

Charter

The Company has adopted a charter (the "**Charter**") of the Audit Committee of the Board, which is attached as Schedule "A" to this Information Circular.

Relevant Education and Experience

All of the current members of the Audit Committee are directors and senior officers of several reporting issuers which face the breadth and level of complexity of issues which can reasonably be expected to be raised by the Company's financial statements. In such capacities, they have developed an understanding of the accounting principles used by the Company to prepare its financial statements and in connection with the accounting for estimates, accruals and reserves and of internal controls and procedures used for financial reporting.

Audit Committee Oversight

At no time since the commencement of the Company's most recently completed financial year was a recommendation of the Audit Committee to nominate or compensate an external auditor not adopted by the Board of Directors.

Pre-Approval Policies and Procedures

The Audit Committee has adopted specific policies and procedures for the engagement of non-audit services as described in the Company's Audit Committee Charter.

Reliance on Certain Exemptions

The Company is relying upon the exemption from the composition requirements of its Audit Committee and the reporting obligations found in section 6.1 of NI 52-110. Since the commencement of the Company's most recently completed financial year end, the Audit Committee approved all non-audit services provided by the Company's external auditor.

External Auditor Service Fees

The Audit Committee has reviewed the nature and amount of the non-audited services provided by Davidson & Company LLP, Chartered Accountants, to the Company to ensure auditor independence. Fees incurred for audit and non-audit services in the last two fiscal years for audit fees are outlined in the following table:

Nature of Services	Fees Paid to Auditor in Year Ended August 31, 2009	Fees Paid to Auditor in Year Ended August 31, 2008
Audit Fees ⁽¹⁾	\$125,269	\$144,851
Audit-Related Fees ⁽²⁾	\$Nil	Nil
Tax Fees ⁽³⁾	\$3,937	\$4,000
All Other Fees ⁽⁴⁾	\$30,333	\$33,220
Total	\$159,539	\$182,071

(1) "Audit Fees" include fees necessary to perform the annual audit of the Company's consolidated financial statements. Audit Fees include fees for review of tax provisions and for accounting consultations on matters reflected in the financial statements. Audit Fees also include audit or other attest services required by legislation or regulation, such as comfort letters, consents, reviews of securities filings and statutory audits.

(2) "Audit-Related Fees" include services that are traditionally performed by the auditor. These audit-related services include employee benefit audits, due diligence assistance, accounting consultations on proposed transactions, internal control reviews and audit or attest services not required by legislation or regulation.

(3) "Tax Fees" include fees for all tax services other than those included in "Audit Fees" and "Audit-Related Fees". This category includes fees for tax compliance, tax planning and tax advice. Tax planning and tax advice includes assistance with tax audits and appeals, tax advice related to mergers and acquisitions, and requests for rulings or technical advice from tax authorities.

(4) "All Other Fees" include all other non-audit services.

The Company does not have any other committees.

COMPENSATION OF EXECUTIVE OFFICERS

Compensation Discussion and Analysis

Compensation

The Company has no Compensation Committee and the entire board of directors (the "**Board**") performs equivalent functions. As at the end of the fiscal year on August 31, 2009, the Board of directors was comprised of Donald M. Boone, Ralph E. Lodewick Ted A. Sharp and Jeffrey G. Wade. As disclosed above, Donald M. Boone is also the President, CEO and Treasurer of the Company, and thus does not vote on any compensation from the Company to himself.

As in prior years, judgments regarding executive compensation for fiscal 2009 were based primarily upon the Board's assessment of each executive officer's leadership performance and potential to enhance long-term shareowner value. The Board relies upon judgment and not upon rigid guidelines or formulas or short-term changes in the share price in determining the amount and mix of compensation elements for each executive officer.

Key factors affecting the Board's judgment included the nature and scope of the executive officers' responsibilities, their effectiveness in leading the Company's initiatives to increase customer value, productivity, growth, compliance with applicable law and the Company's ethics policies.

Based upon all the factors the Board considered relevant, and in light of the Company's strong financial and operating performance, the Board believes it was in the shareholders' best long-term interest for the Company to ensure that the overall level of salary is commensurate with overall performance.

The Board's decisions concerning the specific 2009 compensation elements for individual executive officers, including the Chief Executive Officer, considered each executive officers level of responsibility, performance and current salary. As noted above, in all cases the specific decisions involving 2009 executive officer compensation were ultimately based upon the Board's judgment about the individual executive officer's performance and potential future contributions; and about whether each particular payment or award would provide an appropriate incentive and reward for performance that sustains and enhances long-term shareowner value.

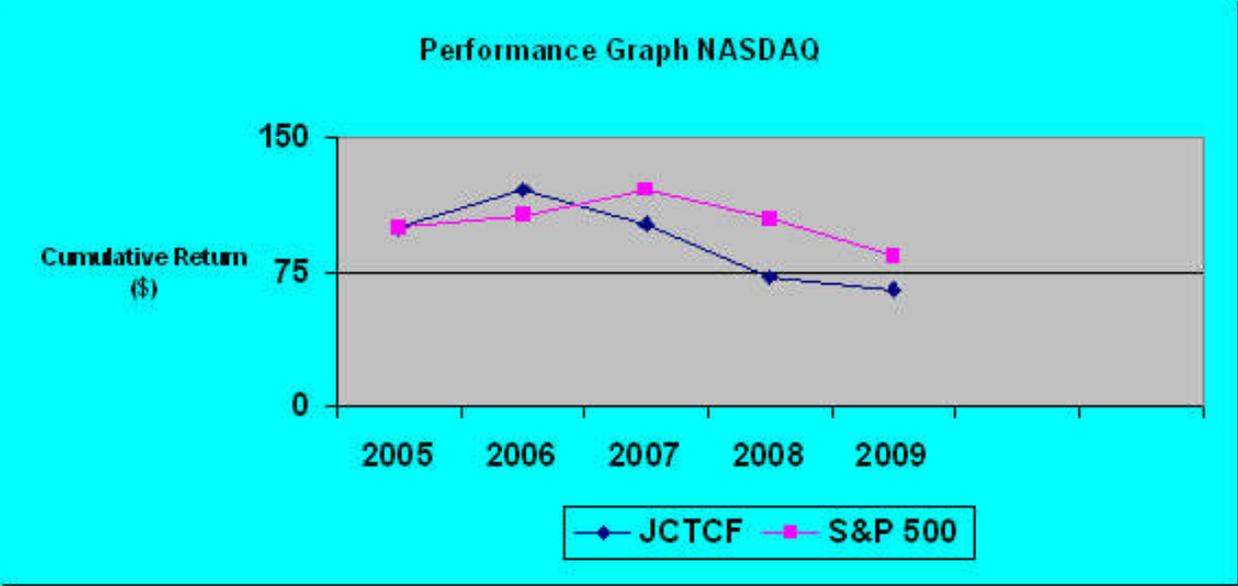

The Board's basis for Mr. Boone's compensation as President, CEO and Treasurer was set many years ago. His compensation has remained unchanged at his request and remains below competitive rates paid to similar executives.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

Employee Stock Ownership Plan

Effective August 31, 1995, the Company established an Employee Stock Ownership Plan (the "**ESOP**") pursuant to the *Employee Retirement Income Security Act* of 1974 (United States) for the benefit of all U.S. employees who were employed by the Company on August 31, 1995 and who had at least 1,000 hours with the Company during fiscal 1995. The establishment of the ESOP resulted in the Company forming a trust, which purchased from the Company's treasury 202,500 Common Shares at a price of C\$2.22 per share on August 31, 1995.

The ESOP covers all U.S. employees who are employed by the Company on August 31 of each year and who have at least one thousand hours with the Company in the twelve months preceding that date. The ESOP grants to participants in the ESOP certain ownership rights in, but not possession of, the Common Shares of the Company held by the Trustee of the Plan. The Company's CEO is the Trustee for the ESOP. Common Shares may be allocated annually to participants in the ESOP pursuant to a prescribed formula. The amount of Common Shares allocated to each employee is equal to the employee's portion of the Company's overall payroll expressed in percentage terms. There are no un-funded liabilities.

During the twelve months ended August 31 of each year the Trustee for the ESOP may purchase the number of Common Shares allocated to the ESOP for that particular financial year, at his discretion, either through the facilities of the open market or from treasury.

On February 17, 2003, shareholders approved the issuance of up to 225,000 common shares from treasury to the ESOP.

The ESOP compensation expense for the following five financial years ended August 31 was:

2005	2006	2007	2008	2009
\$182,141	\$123,786	\$148,132	\$158,700	\$164,118

The ESOP shares allocated for the following five financial years ended August 31 were:

2005	2006	2007	2008	2009
400,985	423,228	388,722	419,968	414,598

The Named Executive Officers are participants in the ESOP. As at the fiscal year-end of August 31, 2009, no Common Shares were credited to the accounts of Messrs. Boone, Nasser, Schumacher or Rice with the ESOP. As at the fiscal year-end of August 31, 2009, \$4,799 was credited to Mr. Boone's account, \$13,331 to Mr. Nasser's account, \$0 to Mr. Schumacher's account and \$11,198 to Mr. Rice's account. The following table sets forth securities of the Company that are authorized for issuance under equity compensation plans as at the end of the Company's most recently completed fiscal year:

Plan Category	Number of securities to be issued upon exercise of outstanding options, warrants and rights (a)	Weighted-average exercise price of outstanding options, warrants and rights (b)	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a)) (c)
Equity compensation plans approved by securityholders	414,598 ⁽¹⁾	\$5.84 ⁽²⁾	197,815 ⁽³⁾
Equity compensation plans not approved by securityholders	N/A	N/A	N/A
Total	414,598	\$5.84	197,815

(1) 414,598 Common Shares were allocated to the ESOP as of August 31, 2009, of which 184,913 Common Shares were purchased in the open market and 229,685 Common Shares were issued from treasury.

(2) Since the shares allocated to the ESOP are not exercisable options, the weighted-average exercise price for the Common Shares allocated to the ESOP during the fiscal year ended August 31 is not applicable. For the purposes of this table, the price used in this column is closing price of the Company's shares on August 31, 2009.

(3) This number represents 225,000 Common Shares approved by the shareholders of the Company on February 17, 2003 from treasury less the 27,185 issued to the ESOP since that date.

401(k) Plan

The Company has a 401(k) plan (the "**401(k) Plan**"), the terms of which call for the Company to contribute 3% of the first \$100,000 of each of its employee's income to the 401(k) Plan.

The Company's aggregate contribution to the 401(k) Plan for the following five financial years each ended August 31, was:

2005	2006	2007	2008	2009
\$64,863	\$67,113	\$72,753	\$73,895	\$64,105

PROPOSALS OF SHAREHOLDERS

By returning the VIF in accordance with the instructions noted on it, a Non-Registered Holder is able to instruct the Registered Shareholder how to vote on behalf of the Non-Registered Shareholder. VIF's, whether provided by the Company or by an Intermediary, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the shares which they beneficially own. **Non-Registered Holders receiving a VIF cannot use that form to vote common shares directly at the Meeting - Non-Registered Holders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.** Should a Non-Registered Holder who receives a VIF wish to attend the Meeting or have someone else attend on his/her behalf, the Non-Registered holder may request a legal proxy as set forth in the VIF, which will grant the Non-Registered Holder or his/her nominee the right to attend and vote at the Meeting.
